The Beast Within - 2ed (Vampire: The Masquerade Novels) From Brand: White Wolf Publishing

Unseen. The Kindred Move Among Us Not merely mad beasts of lonely hunters, the vampires of the World of Darkness who call themselves The Kindred because of the blood that elementally binds them together, are dangerously organized and cunning. They hide behind a plan they call the Masquerade so that they do not draw the attention or ire of mortals, and the society this masquerade obscures is as rich with wonders and as rife with conflict as any ever known among men. This collection of stories concerning the Kindred of the World of Darkness serves as both an introduction to their nature and an exposé of the danger they pose. Collected within this second edition are favourites of the first edition, including stories by S.P. Somtow and Mathew J. Costello, as well as two all-new stories from Gherbod Flemming and Eric Griffin, two authors of the bestselling Vampire Clan Novel series.
