### About the Author

**STEPHANIE DRAY** is a bestselling, multi-published, award-winning author of historical women's fiction and fantasy set in the ancient world. Her critically acclaimed historical series about Cleopatra's daughter has been translated into more than six different languages, was nominated for a RITA Award and won the Golden Leaf. Her focus on Ptolemaic Egypt and Augustan Age Rome has given her a unique perspective on the consequences of Egypt's ancient clash with Rome, both in terms of the still-extant tensions between East and West as well as the worldwide decline of female-oriented religion. Before she wrote novels, Stephanie was a lawyer, a game designer, and a teacher. Now she uses the transformative power of magic realism to illuminate the stories of women in history and inspire the young women of today. She remains fascinated by all things Roman or Egyptian and has-to the consternation of her devoted husband-collected a house full of cats and ancient artifacts.
