The Vampire Tapestry By Suzy McKee Charnas

Edward Weyland is far from your average vampire: not only is he a respected anthropology professor but his condition is biological ? rather than supernatural. He lives discrete lifetimes bounded by decades of hibernation and steals blood from labs rather than committing murder. Weyland is a monster who must form an uneasy empathy with his prey in order to survive, and *The Vampire Tapestry* is a story wholly unlike any you've heard before.

Editorial Review

Review

“The best vampire novel I've ever read.” ?Peter S. Beagle, author of *The Last Unicorn*

“Among the genre's few modern classics.” ?*The New York Times Book Review*

“Devastatingly powerful.... Savage and intense and brilliantly satisfying.... rich and impressive.... a serious, startling, and revolutionary work.” ?*The Washington Post*

“Probably the best vampire novel ever written.” ?*Oxford Times*

“A consensus classic, so recognized when first published in 1980.... It's a fascinating conception, handled with masterly skill. Nothing better has been done in this, er, vein since Bram Stoker's legendary *Dracula* in 1897. And, as a pure piece of writing, Charnas' deeply intelligent, disturbing novel may actually be the superior book.” ?*USA Today*

About the Author

Suzy McKee Charnas is the author of over a dozen works of science fiction, fantasy, and horror, including the Holdfast series from Tor Books and the Sorcery Hall series of books for young adults. She is the winner of the Hugo Award (for her short story "Boobs") and has won the James Tiptree, Jr. Award twice.

Users Review

From reader reviews:

Douglas Dossett:
