Accidental Cowgirl: A Whisper Creek Novel By Maggie McGinnis

USA TODAY BESTSELLER

In her Loveswept debut, Maggie McGinnis tells the tale of a city girl who's running on fumes—and the cowboy who shows her all the good things she's been missing.

After being betrayed by her con man ex-fiancé, Kyla Bennett nurses a broken heart. But Kyla's friends have other ideas and when they whisk her off to Whisper Creek, a dude ranch staffed by cowboys so hot they dim the Montana sunset, all Kyla wants to do is hide under a quilt. Then in rides Decker Driscoll. He's hauling about as much emotional baggage as Kyla, but when he stands close by, both of them want to stay close—and begin to succumb to an undeniable attraction.

After experiencing personal tragedy, Decker never thought he'd see Big Sky country again. But now that his family's Whisper Creek property is in deep with a Vegas gambler, Decker's back for the summer—and spending all his time running from "cowgirls" who come to the dude ranch to score some dudes. Then he meets Kyla, a kindred spirit who brings on a stampede of protective feelings . . . and a powerful hankering to sear her with a new brand of love.
