Not Since Romeo and Juliet Has a Couple Faced Odds This Long

The Cramers and Mosiers have been angry with each other for as long as anyone can remember. Things had cooled to a simmer...until Addie Cramer and Jonathan Mosier fell head over heels for each other. Now old tensions are renewed, and Addie's parents insist she marry stolid and uninspiring Phillip Eicher.

Distraught at a future apart, the two decide their best hope is to reconcile the two families...but that means digging into the past to see what tore them apart. Will their love be enough to keep them together or will long-held secrets ruin their chance at happiness?
