**Down Among the Sticks and Bones (Wayward Children)** By Seanan McGuire

Seanan McGuire returns to her popular **Wayward Children** series with *Down Among the Sticks and Bones*?a truly standalone story suitable for adult and young adult readers of urban fantasy, and the follow-up to the **Alex, Nebula, and Locus Award**-winning, **Hugo and World Fantasy Award** finalist, **Tiptree Honor List** book *Every Heart a Doorway*

Twin sisters Jack and Jill were seventeen when they found their way home and were packed off to Eleanor West's Home for Wayward Children.

This is the story of what happened first...

Jacqueline was her mother's perfect daughter?polite and quiet, always dressed as a princess. If her mother was sometimes a little strict, it's because crafting the perfect daughter takes discipline.

Jillian was her father's perfect daughter?adventurous, thrill-seeking, and a bit of a tom-boy. He really would have preferred a son, but you work with what you've got.

They were five when they learned that grown-ups can't be trusted.

They were twelve when they walked down the impossible staircase and discovered that the pretense of love can never be enough to prepare you a life filled with magic in a land filled with mad scientists and death and *choices*.
