English for Writing Research Papers By Adrian Wallwork

Publishing your research in an international journal is key to your success in academia. This guide is based on a study of referees' reports and letters from journal editors on reasons why papers written by non-native researchers are rejected due to problems with English usage. It draws on English-related errors from around 5000 papers written by non-native authors, 500 abstracts by PhD students, and over 1000 hours of teaching researchers how to write and present research papers.

With easy-to-follow rules and tips, and with examples taken from published and unpublished papers, you will learn how to:

- prepare and structure a manuscript
- increase readability and reduce the number of mistakes you make in English by writing concisely, with no redundancy and no ambiguity
- plan and organize your paper, and structure each paragraph and each sentence so that the reader can easily follow the logical build-up towards various conclusions
- write a title and an abstract that will attract attention and be read
- decide what to include in the various parts of the paper (Introduction, Methodology, Discussion etc)
- select from over 700 useful phrases
- highlight your claims and contribution
- avoid plagiarism and make it 100% clear whether you are referring to your own work or someone else's
- choose the correct tenses and style (active or passive)

The book also includes around 700 useful phrases for use in any kind for research paper.

Editorial Review

Review

From the reviews:

“The 308 pages are divided into 20 parts and each part is then further divided into sub chapters each of which is titled with a question or simple statement Most chapters therefore are short and to the point and effectively deal with an extremely finite aspect of writing This would be a useful book for those starting out on the research trail and for those struggling to get their work published.” (ICS News, Vol. 7 (2), July, 2011)

“This book is that it focuses not just on how to write each section of a paper ... but also on how to write clear, concise, unambiguous English It tells the students all kind of things that I have not found in other books on this topic I really recommend this book not just to students but also to EAP teachers written in a way that can be understood by students with an upper intermediate level of English.” (Louise Sutherland, Amazon, May, 2011)

About the Author

Adrian Wallwork is the author of more than 20 ELT and EAP textbooks. He has trained several thousand PhD students and academics from 35 countries to prepare and give presentations. Since 1984 he has been revising research papers, and in 2009 he set up englishforacademics.com – a proofreading and editing service specifically for researchers.

Users Review

From reader reviews:

Carol Elliott:

What do you about book? It is not important along with you? Or just adding material when you want something to explain what you problem? How about your spare time? Or are you busy man or woman? If you don't have spare time to perform others business, it is make you feel bored faster. And you have free time? What did you do? Every person has many questions above. They have to answer that question due to the fact just their can do which. It said that about e-book. Book is familiar in each person. Yes, it is appropriate. Because start from on jardín de infancia until university need this specific English for Writing

Research Papers to read.

Stephen Phelps:

Playing with family in a very park, coming to see the ocean world or hanging out with friends is thing that usually you may have done when you have spare time, subsequently why you don't try matter that really opposite from that. 1 activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love English for Writing Research Papers, you may enjoy both. It is great combination right, you still desire to miss it? What kind of hang-out type is it? Oh can occur its mind hangout guys. What? Still don't have it, oh come on its known as reading friends.

Thomas Burke:

English for Writing Research Papers can be one of your beginning books that are good idea. We recommend that straight away because this book has good vocabulary that will increase your knowledge in terminology, easy to understand, bit entertaining but nevertheless delivering the information. The article author giving his/her effort to get every word into joy arrangement in writing English for Writing Research Papers but doesn't forget the main position, giving the reader the hottest and also based confirm resource facts that maybe you can be among it. This great information can drawn you into brand-new stage of crucial contemplating.

Clarence Williams:

In this period globalization it is important to someone to find information. The information will make you to definitely understand the condition of the world. The fitness of the world makes the information simpler to share. You can find a lot of referrals to get information example: internet, newspaper, book, and soon. You can see that now, a lot of publisher this print many kinds of book. Often the book that recommended to you personally is English for Writing Research Papers this publication consist a lot of the information of the condition of this world now. This kind of book was represented how does the world has grown up. The words styles that writer use to explain it is easy to understand. Often the writer made some study when he makes this book. That's why this book suitable all of you.
