Forgiveness and Other Stupid Things: An Awakening That Was Written in the Scars By Tamara Plant

Spirituality. Faith. Hope. Forgiveness. Depending on where you are in your journey, these terms can sound like a load of crap.

Forgiveness and Other Stupid Things takes you on a dark journey of domestic violence, sexual abuse, depression and the residual rage that follows you until you face your demons. It's an in-depth look at how Tamara Plant managed to use the broken pieces of her life to create a masterpiece of inspiration, resilience and enlightenment.

No matter what you might go through, this story will remind you that regardless of how many times you hit rock bottom, you'll always bounce back. If you've ever struggled with forgiveness or wanted to quit on life, this story will show you that you're not alone and that it *is* possible to rise out of the proverbial ashes.
