Editorial Review

Review

When I bought the first book I had a lot of reservations about this series. I'm not a fan of mermaids at all but I went into this with an open mind and walked out of it with a blown one!

-Amazingly Fantastic, Amazon Reviewer

Finished this book last night. Am kinda of sad though as now I must face reality!!! I am hoping for another book as I really want to know more about the characters who I fell I know! The conclusion was epic, filling all the blanks I wanted it too and swelling my heart with love. What a rollercoaster these books have been! What a journey!! well done S.K Munt, your elegant use of words is admirable.

-Jillian, Amazon Customer

All 3 books in this saga is so well written that sometimes I forgot that these were fictional characters. I loved the fact that the author didn't favour her leading lady or any of the characters. I would love them, then hate them, root for them and be disappointed in their actions (see! Forgetting again that this is fiction!)

-Amy, Amazon Customer

If this is the first that you have heard of The Fairytale Saga, by all means, go and read The Marked Ones and Three Rings first. The reader will know firsthand the kind of story that S.K. Munt is capable of spinning. If, however, the reader is familiar the first two books, this reviewer strongly suggests that one find a comfy chair or sofa, a bit of something to eat, a few tissues and prepare to submerge themselves in this story.

-Howard parsons, Amazon Reviewer

I seriously didn't think it could happen but Heads or Tails, book 3 was even better then the first two books in the series. I felt like I was personally invested in this story.

-Nice Puppy, Amazon customer

From the Author

For those on the edge of their seats- yes Ivyanne makes her choice in this instalment of The Fairytale saga- so the love triangle ends here I swear!

Users Review

From reader reviews:

Colby McCray:

What do you think of book? It is just for students because they're still students or it for all people in the world, the actual best subject for that? Just you can be answered for that problem above. Every person has different personality and hobby per other. Don't to be forced someone or something that they don't need do that. You must know how great as well as important the book Heads Or Tails: Book #3 The Fairytale Saga. All type of book would you see on many methods. You can look for the internet methods or other social media.

Carlos Quirk:

Reading a book to become new life style in this 12 months; every people loves to read a book. When you study a book you can get a wide range of benefit. When you read textbooks, you can improve your knowledge, mainly because book has a lot of information in it. The information that you will get depend on what types of book that you have read. If you wish to get information about your review, you can read education books, but if you act like you want to entertain yourself read a fiction books, these kinds of us novel, comics, as well as soon. The Heads Or Tails: Book #3 The Fairytail Saga provide you with new experience in reading a book.

Bradley Roberts:

What is your hobby? Have you heard that will question when you got pupils? We believe that that problem was given by teacher to their students. Many kinds of hobby, Everyone has different hobby. And you also know that little person including reading or as reading become their hobby. You need to know that reading is very important along with book as to be the matter. Book is important thing to increase you knowledge, except your personal teacher or lecturer. You discover good news or update concerning something by book. Numerous books that can you go onto be your object. One of them are these claims Heads Or Tails: Book #3 The Fairytail Saga.

Earl Parker:

Reading a publication make you to get more knowledge as a result. You can take knowledge and information from your book. Book is published or printed or outlined from each source which filled update of news. With this modern era like today, many ways to get information are available for you actually.
