### Editorial Review

From Publishers Weekly

By using the terms "bitch" and "bitch goddess" several times in his first few pages, Sanello, a former film critic for the Los Angeles Daily News, sets an aggressively sleazy tone to his biography of notorious actress Sharon Stone. Even so, he promises more than he delivers. After a preface that in effect defies Stone to have him roughed up by her "goons" and after an introduction that tells a juicy story about Stone's alleged lesbian tryst in a public restroom, the rest of the book is mostly a cut-and-paste job. Sanello's account of Stone's life and career, from her childhood in Meadville, Pa. (which the author calls "Mudville"), through her early career in cheap horror films, to her superstardom in *Basic Instinct*, is constructed almost entirely from previously published articles, interviews and reviews. The author's chief original contribution is an unending series of snide wisecracks and asides, which read as if Stone, and Hollywood, had done him a personal injury (on *Basic Instinct*: "Another dim-bulb studio executive, who probably makes a half mil a year, felt the success of the film..."). Some of Sanello's witticisms have a vulgar brio, as when Sanello writes that Stone was "Pudenda non grata" in Hollywood after her 1990 *Playboy* pictorial. But much of the prose labors for effect, leading to such jaw-dropping mixed metaphors as, "Stone's behavior is motivated by the fear that the career heap that she has clawed her way to the top of will suddenly supernova." The subject matter and approach are likely to appeal to tabloid readers and fans of daytime talk shows, but chances are, if they've read the right magazines, they'll know most of this stuff already. From [Booklist](#)

Sanello goes to great lengths in his preface to report on the reverence he paid to Jimmy Stewart in his last book *Saint Jim* and to inform readers that he would rather praise than condemn a movie icon. But in this Sharon "Bitch Goddess" Stone biography, most of his quotes are from *People* and the *National Enquirer*, and the book strives for malicious intent whenever possible. For example, in the chapter on her western, *The Quick and the Dead*, Sanello snidely writes that this "was the first film made by Stone's new company, Chaos Productions. Some might carp that the name was prophetic of her later films, but it actually came from Melville: 'Before creation was chaos.' *Playboy* was right after all when it condescendingly said of the starlet spread out nude all over its pages in 1990, 'And she reads a lot, too.'" Another telling feature of this unauthorized biography is that it seems to have been whipped off quickly, with little rewriting or editing. There appears to have been no checking for repetitive word choices or for rehashed anecdotes (the book could probably be halved if stories weren't told again pages or chapters later). Sanello picks up themes (i.e., variations of duality), but his guiding light for this one must have been, "Let those who live by sleaze share the wealth." In other words, this trashy book will probably be in great demand. *Jennifer Henderson*

### Users Review

From reader reviews:

**Brent Abramson:**

This Naked Instinct: The Unauthorized Biography of Sharon Stone are reliable for you who want to be described as a successful person, why. The reason why of this Naked Instinct: The Unauthorized Biography of Sharon Stone can be one of the great books you must have is usually giving you more than just simple examining food but feed you with information that possibly will shock your earlier knowledge. This book is

handy, you can bring it almost everywhere and whenever your conditions in the e-book and printed people. Beside that this Naked Instinct: The Unauthorized Biography of Sharon Stone giving you an enormous of experience like rich vocabulary, giving you test of critical thinking that we all know it useful in your day task. So , let's have it and revel in reading.

#### **William Jewell:**

What you must do is just spending your time not much but quite enough to enjoy a look at some books. Among the books in the top record in your reading list will be Naked Instinct: The Unauthorized Biography of Sharon Stone. This book that is qualified as The Hungry Hillsides can get you closer in becoming precious person. By looking upwards and review this publication you can get many advantages.

#### **Andrew Thompson:**

As a scholar exactly feel bored in order to reading. If their teacher inquired them to go to the library or to make summary for some reserve, they are complained. Just tiny students that has reading's heart and soul or real their interest. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that examining is not important, boring along with can't see colorful photos on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Naked Instinct: The Unauthorized Biography of Sharon Stone can make you feel more interested to read.
