Release & Catch: a Three Part Book Bundle By Emigh Cannaday

After years of playing catch and release when it comes to men, Sloane has just hooked what seems to be the ultimate trophy. Andy is funny, sweet, smart, and oh so sexy with his Ken doll good looks, but there's a snag the size of Texas—his best friend Barbie. Not only is Barbie a matchmaker with a perfect track record, but the tall, tan, gorgeous blonde clearly adores Andy and isn't about to give this new relationship the green light without conducting a thorough investigation. Claiming to have Andy's best interest in mind, Barbie starts to cross-examine Sloane to learn who she really is and what she wants most out of life. When Barbie's ruling is announced, Sloane's in too deep to realize she's in way over her head.
