**Destiny of Blood (Love of a Shifter Book 4)** By Bryce Evans

**Review: U.S.A Best Selling Author R.E. Butler~** This book was full of suspense from start to finish with a rich tapestry of characters, kidnappings, matings, new families, and a jaw-dropping ending that makes me anxious for the next book. If you like your heroes with fangs and heroines who can hold their own in a fight, look no further than Destiny of Blood, another great addition to the Love of a Shifter series.

Still nursing a broken heart, Lily Wilder is focused on enjoying the single life. She's had enough betrayal and heartache to last a lifetime, so finding a man isn't in her plans, but the night of her pack's Valentine's Dance her plans get rerouted.

Sindrid Abner is the Vampire King, and it's his duty to find a strong mate who can help him lead his people into a peaceful future. He never imagined a pretty werewolf would set his soul aflame. Imagine his dismay when his fated mate avoids him at every turn?

When shifters and vampires begin disappearing, Lilly will either face the truth or continue to live in fear. The only soul that can make her blood sing, is the Vampire King, but can they both survive to create a life together? Or will they find their Destiny by Blood?
