DRAWN: His Secret Toy By Marian Tee

17-year-old Katerina “KC” Chariot is a good girl with a secret. She’s so nice she has an impossible time swearing unless she’s using pretty British cuss words. She also likes to fantasize about hot guys in her school. But it’s for work. Really. Katerina is an aspiring mangaka, and she needs “inspiration” for drawing smutty scenes.

Unfortunately, one particular fantasy about the Japanese-Russian transfer student Yuki Himura gets the better of her. She ends up unconsciously moaning his name – in Yuki’s presence, too. In a twist of fate, Katerina finds herself agreeing to become Yuki’s secret toy, which sounds a lot worse than it actually is- especially in the eyes of her Theology-professor dad.

The whole school thinks of Yuki as the ideal guy – gorgeous, smart, and sweet. But with Katerina, he’s the Devil sent to torment her, seduce her, and – worst of all – he’s making her fall in love with him even though he’s said it’s the one thing she should never ever do.

"Relax," he murmurs. "I'm not going to have sex with you, I promise." A wicked grin briefly appears on his lips. "And that kills you, doesn't it?"

I want to say 'fuck off'. I want to flip him the middle finger. But years of strict Christian upbringing are hard to

ignore.

"Piss off," I say again instead.

He blinks. "This is going to sound weird, but...do you turn Brit when you're mad?"

"Pissoff."

We get into a tug-of-war, one that Yuki easily wins, and I'm out of the car in a flash.

"Say 'fuck' and I'll let you go right this minute."

"F...f...pissoff!"

Yuki doubles over. "You do!" He looks at me with tears in his eyes. "When we have fantasy sex, do I get to have a British accent, too?"

I roll my eyes. "Of course not." Then I scowl when I realize what he's made me say.

He laughs. "You're the most fascinating person I've ever met, *senpai*. You really are."
