**Full Fathom Five: A Novel of the Craft Sequence** By Max Gladstone

“This is the best kind of urban fantasy, filled with diverse characters and thought-provoking philosophies.” —*The Washington Post*

**Max Gladstone's Craft Sequence chronicles the epic struggle to build a just society in a modern fantasy world.**

On the island of Kavekana, Priestess Kai builds gods to order—sort of. Kai's creations are perfect vehicles for Craftsmen and Craftswomen operating in the Old World. For beyond the ocean, true deities still thrive, untouched by the God Wars that transformed the city-states of Alt Coulumb and Dresediel Lex.

When Kai tries to save a friend's dying idol, she's graveley injured—then sidelined from the business, her near-suicidal rescue attempt offered up as proof of her instability. But when Kai gets tired of hearing her boss, her coworkers, and her ex-boyfriend call her crazy, and digs into the cause of the idol's death, she uncovers a conspiracy of silence and fear that will break her if she can't break it first.

**Set in a phenomenally built world in which lawyers ride lightning bolts, souls are currency, and cities are powered by the remains of fallen gods, Max Gladstone's Craft Sequence introduces readers to a modern fantasy landscape and an epic struggle to build a just society.**

## **Editorial Review**

From [Booklist](#)

The third novel in the Craft Sequence can be read as a stand-alone (as can each of the two that came before it, *Three Parts Dead*, 2012, and *Two Serpents Rise*, 2013). Like its predecessors, this one is a mystery posing as an urban fantasy: Kai, a “god-builder” on the island of Kavekana, is upset when one of her creations dies. Upset turns to concern when her boss pulls her off god-building duty and puts her behind a desk, in what’s essentially a customer-service position. Kai wonders if there’s a conspiracy afoot to keep her from investigating the god’s death, but she isn’t prepared for the surprises that await her. The story could easily have been a comedy—Tom Holt, for example, would have a field day with this material—but in Gladstone’s hands, it’s pretty serious stuff. He has created a wildly imaginative, complex world in these books, balancing reality and fantasy elements to such a degree that it’s sometimes difficult to tell where one ends and the other begins. Fans will be eager to see where this series goes next. --David Pitt

## **Review**

"Gladstone continues to trump his already considerable accomplishments in this tightly paced fantasy legal thriller." *Publishers Weekly*

"This is some of the smartest, most original and sophisticated world-building I've read in years, *and* fun, *and* fast-paced, and did I mention smart?" *NPR*

"A gripping, smart story that has you running through the pages trying to keep up." *Portland Book Review*

## **About the Author**

MAX GLADSTONE went to Yale, where he wrote a short story that became a finalist in the Writers of the Future competition. He lives in Boston, Massachusetts. *Full Fathom Five* is his third novel.
