Quick and Easy Recipes for Guys By Rich Madzel

The purpose of this book is to make the point that the surest way to a woman's heart, or any other place you may be interested in, is through her stomach. Master the kitchen, and you master her. A secondary purpose is to make sure you are able to prepare your own meals. This book contains tips, ideas, and recipes. All are simple, with nothing at restaurant level, and all submitted by guys. In no way were their submissions tested, so blame them if theirs doesn't work for you. The book will help feed you, maybe bring a few chuckles to your face, but remember it is primarily designed to improve your love life.
