The Girl in my Dreams By Logan Byrne

When your girlfriend is a ghost visiting you in your dreams, life is anything but ordinary.

Seventeen-year-old Theodore Quinn has never had it easy. His dad recently left his mother and him, he's not exactly Mr. Popular at school, and he's never had a girlfriend—that is, until a chance encounter leads to a reconciliation with his childhood best friend and neighbor, Annabelle, whom he's loved for as long as he can remember.

It's only after they start dating that his life seems to be heading in the right direction. But that all changes one snowy night when Annabelle is instantly killed in a car accident, leaving Theodore devastated and emotionally crippled. In the midst of his desperation to see Annabelle again, she visits him in his dreams, and life suddenly becomes worth living again. With things starting to look perfect once more, Theodore must decide between living in his dreams forever, or facing reality and moving forward with a life he knows he'll never truly have with her.
