The question of the existence of God looms large in humanity's search for meaning. We all confront this question throughout the course of our lives, whether our response is one of belief or unbelief. In a simple, yet detailed discussion of this fundamental question, Watchman Nee presents a compelling case for belief in God by showing that God became a man to personally answer this question for us. Arranged in four major sections, The Normal Christian Faith presents a clear view of our faith beginning with the knowledge of God, Christ, and the Bible and progressing to an understanding of redemption, life and the Spirit.
