The Novice: Summoner: Book One (The Summoner Trilogy 1) By Taran Matharu

He can summon demons. But can he win a war?

Fletcher is working as a blacksmith's apprentice when he discovers he has the rare ability to summon demons from another world. Chased from his village for a crime he did not commit, Fletcher must travel with his demon, Ignatius, to an academy for adepts, where the gifted are taught the art of summoning. Along with nobles and commoners, Fletcher endures grueling lessons that will prepare him to serve as a Battlemage in the Empire's war against the savage Orcs. But sinister forces infect new friendships and rivalries grow. With no one but Ignatius by his side, Fletcher must decide where his loyalties lie. The fate of the Empire is in his hands.

Editorial Review

From School Library Journal

Gr 7 Up—Fletcher, 15, an orphan raised by a blacksmith in the Hominum Empire's northern village of Pelt discovers he has the ability to summon demonic creatures in this exciting fantasy trilogy opener. After Fletcher and Ignatius, his ferretlike demon, attack the local bully, Fletcher is forced to flee his village. Through a chance encounter with a mage, Fletcher finds himself attending an academy for battle mages. Trained mages are needed in Hominum's ongoing war with the orcs and in the armed truce against the elves. At the Academy, Fletcher, a commoner, endures scorn from the more skilled second-year students of noble birth, especially a pair of snobbish twin siblings, who are particularly cruel to Sylva, the elf chieftain's daughter, and the dwarf Othello. Dwarves are despised and treated as second-class citizens by many humans in Hominum. Their studies culminate in a year-end tournament that determines their student rankings and the opportunity for a senior military position. Fletcher and his small group of allies also become involved in a plot that threatens all of Hominum. This debut's similarities to J.R.R. Tolkien's "The Lord of the Rings" books, Philip Pullman's "His Dark Materials" (Knopf), and J.K. Rowling's "Harry Potter" (Scholastic) (the novel even has a nasty professor with a prejudice against commoners and other races) are unmistakable, but readers won't mind. Fletcher's a sympathetic character whose impulsive behavior leads him to make understandable mistakes. VERDICT The appealing characters, fast-paced plot, focus on racial politics, and interesting demon varieties (demonology addendum included) make this an enjoyable read.—Sharon Rawlins, New Jersey State Library, Trenton

Review

A New York Times Bestseller

“The appealing characters, fast-paced plot, focus on racial politics, and interesting demon varieties (demonology addendum included) make this an enjoyable read.” *?School Library Journal*

“Fantasy readers should enjoy this entertaining, comfortably familiar-feeling adventure featuring an earnest soldier-schoolboy and his demonic sidekick.” *? Kirkus Reviews*

“This plot-focused fantasy adventure will be a satisfying read for a wide age range of readers, especially fans of role-playing games and Christopher Paolini.” *?VOYA*

“Taran Matharu . . . racked up more than a million reads for his first novel, 'Summoner,' in only four months.” *?NBCnews.com*
