### A Winter Kill (Rapid Reads) By Vicki Delany

Nicole Patterson is a young, green and very eager probationary constable with the Ontario Provincial Police. Although she spends much of her time breaking up bar fights, giving out traffic tickets and finding lost kids, she dreams of one day becoming a detective. Late one bitterly cold winter night, she comes across the body of a young woman lying on the edge of a snow-covered field on the outskirts of town. The girl appears to have been strangled. Nicole recognizes the victim as a local high school student with a somewhat sullied reputation, the daughter of the town drunk. Though both under-qualified and unauthorized, Nicole feels compelled to throw herself into the murder investigation. Was the murdered girl really as promiscuous as her classmates described or the victim of bullying? What was her relationship with the star of the football team? And what is the significance of the ring with the large blue stone found near her body? Is Nicole Patterson herself heading for trouble by pretending to be a detective?

### Editorial Review

#### Review

"A fast-paced, easy-to-read, contemporary story...Although plot driven, the story manages to touch on contemporary issues, like the casual cruelty of teenagers, dysfunctional families, teen pregnancy, and parental ambitions. Complete with a thoughtful and observant protagonist, a sympathetic victim, varied supporting characters, a snappy 'whodunit' plot, short, easy-to-read sentences (RL 2.8), some graphic yet realistic language, and enough detail to engage readers, this quick read fits the series well and should appeal to an audience accustomed to the pace of television crime dramas. Highly Recommended." (*CM Magazine* 2012-02-24)

"Intended as a hi-low option for adults this title could certainly be read and enjoyed by teens as well...Though the sentences are short...and the vocabulary simple, this is a very readable mystery which keeps the reader hooked as to the true murderer until very close to the end. This would be a useful purchase for schools and libraries where items are needed for students with low reading levels as well as ESL students." (*Southwest Ohio Young Adult Material Review Group* 2012-05-24)

"This quick read will grab the reader's attention from page one...As the case unfolds, the reader is drawn into the life of Nicole the investigator...A very satisfying read for reluctant readers." (*Tri State YA Book Review Committee* 2012-09-01)

#### From the Back Cover

I shifted my feet. Snow crunched beneath my boots. I dropped to a squat beside the body. It was a woman. Her long pink scarf was wrapped tightly around her neck. Too tight to let air pass. I pulled off my gloves and held my fingers to the side of her neck. Cold and still. Late one bitterly cold winter night, rookie constable Nicole Patterson comes across the body of a young woman lying in a snow-covered field on the outskirts of town. When the victim turns out to be a high school student with a less-than-sterling reputation, suspicion falls on her drunkard father. But Nicole soon discovers that all is not as it appears to be in her quiet little town. Though both underqualified and unauthorized, the young police officer is compelled to throw herself into the murder investigation.

#### About the Author

**Vicki Delany** is one of Canada's most prolific and varied crime writers. She writes everything from stand-alone novels of psychological suspense to the Constable Molly Smith books, a traditional police procedural series set in the British Columbia Interior, to a light-hearted historical series set in the raucous heyday of the Klondike Gold Rush.
