Captured By Him - Sold to the Master, Book 1: A BDSM Master-Slave Alpha Billionaire Romance By Brittany Adams

CAPTURED BY HIM is Part 1 of Sold to the Master, a BDSM Master-Slave Alpha Billionaire Romance. It is intended for mature readers.

In an alternate, present day America, the rules are a little different. Actually, they're a lot different. All females, with rare exception, are considered the property of men from the moment they are born until they take their last dying breath.

Raven

Let's get one thing straight. I do my own thing, my own way. And I have big plans that do *not* involve being owned by some man who calls himself 'Master', no matter what the law says. Just because the big hunt is tomorrow, doesn't mean that I'll be leaving here with my new owner. I will risk my life for the chance at freedom.

"The Blue-Eyed Devil"

She may think of me as the devil now, but once I capture her and take her home with me, she'll be calling me her Lord... her Master. I've never needed or wanted anyone the way I do Raven. And what I want, I always get.
