Kids in Danger From Brand: Cook Communications Ministries

A child's mishandled anger manifests itself in many ways: from poor grades to parent-child conflict; from anti-authority attitudes to aggressive behavior; from sullenness to suicide. We see it every day--at home, at school, in society--and it seems to be getting worse.

Is there anything that can be done about this "anger epidemic"? Dr. Ross Campbell responds with an emphatic YES, and offers practical advice to parents. In *KIDS IN DANGER*, you'll learn how to help your child:

Manage everyday conflicts Express anger appropriately Relate to others with maturity Become a person of integrity

"In a very direct and forthright way, Dr. Ross Campbell handles the genuinely tough problems parents and society itself face in an environment that is ever-increasing in its danger and problems. Beautifully done, much-needed, destined to be enormously helpful. I highly recommend it."

- Zig Ziglar
