**The Immigrant Kitchen: Food, Ethnicity, and Diaspora** By Vivian Nun Halloran

In *The Immigrant Kitchen: Food, Ethnicity, and Diaspora*, Vivian Nun Halloran examines food memoirs by immigrants and their descendants and reveals how their treatment of food deeply embeds concerns about immigrant identity in the United States. Halloran argues that by offering a glimpse into the authors' domestic lives through discussions of homemade food, these memoirs demystify the processes of immigration, assimilation, acculturation, and expatriation—ultimately examining what it means to live as naturalized citizens of the United States. Having grown up hearing about their parents' often fraught experiences of immigration, these authors examine the emotional toll these stories took and how such stories continue to affect their view of themselves as Americans. Halloran covers a wide swathe of immigrant food memoirs, moving seamlessly between works by authors such as Austin Clarke, Madhur Jaffrey, Kim Sunée, Diana Abu-Jaber, Eduardo Machado, Colette Rossant, Maya Angelou, and Jonathan Safran Foer.

*The Immigrant Kitchen* describes how these memoirs function as a complex and engaging mass media genre that caters to multiple reading constituencies. Specifically, they entertain readers with personal anecdotes and recollections, teach new culinary skills through recipes, share insight into different cultural mores through ethnographic and reportorial discussions of life in other countries, and attest to the impact that an individual's legal immigration into the United States continues to have down through the generations of his or her American-born families.

### **Editorial Review**

#### **Review**

"The Immigrant Kitchen" brings together texts from writers coming out of different immigrant traditions, and its movement through the topics ranging from immigration to assimilation to expatriation felt perfect to me. Both literary scholars who work in transnational and postcolonial studies and food studies scholars who work on related topics in the humanities will want to read this book. Scholars affiliated with programs in women's studies, ethnic studies, and American studies, as well as historians of immigration, will also find "The Immigrant Kitchen" necessary reading. Doris Witt, University of Iowa"

#### **About the Author**

Vivian Nun Halloran is Associate Professor of English and American Studies at Indiana University Bloomington."

### **Users Review**

#### **From reader reviews:**

##### **Richard Segers:**

Spent a free time and energy to be fun activity to perform! A lot of people spent their down time with their family, or their own friends. Usually they performing activity like watching television, likely to beach, or picnic from the park. They actually doing same thing every week. Do you feel it? Would you like to something different to fill your free time/ holiday? Might be reading a book can be option to fill your free time/ holiday. The first thing that you ask may be what kinds of publication that you should read. If you want to attempt look for book, may be the book untitled The Immigrant Kitchen: Food, Ethnicity, and Diaspora can be fine book to read. May be it can be best activity to you.

##### **Walter Knight:**

This The Immigrant Kitchen: Food, Ethnicity, and Diaspora is great publication for you because the content which is full of information for you who also always deal with world and still have to make decision every minute. This book reveal it data accurately using great arrange word or we can declare no rambling sentences inside it. So if you are read this hurriedly you can have whole data in it. Doesn't mean it only offers you straight forward sentences but challenging core information with attractive delivering sentences. Having The Immigrant Kitchen: Food, Ethnicity, and Diaspora in your hand like finding the world in your arm, data in it is not ridiculous a single. We can say that no guide that offer you world with ten or fifteen tiny right but this reserve already do that. So , this is good reading book. Hi Mr. and Mrs. hectic do you still doubt which?

##### **Lee Wing:**

Do you like reading a guide? Confuse to looking for your selected book? Or your book was rare? Why so

many concern for the book? But virtually any people feel that they enjoy to get reading. Some people likes looking at, not only science book but in addition novel and The Immigrant Kitchen: Food, Ethnicity, and Diaspora or perhaps others sources were given expertise for you. After you know how the good a book, you feel desire to read more and more. Science publication was created for teacher or perhaps students especially. Those ebooks are helping them to increase their knowledge. In different case, beside science publication, any other book likes The Immigrant Kitchen: Food, Ethnicity, and Diaspora to make your spare time more colorful. Many types of book like here.

### **Casey Russell:**

As a student exactly feel bored for you to reading. If their teacher inquired them to go to the library or to make summary for some book, they are complained. Just very little students that has reading's soul or real their interest. They just do what the educator want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful pics on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this The Immigrant Kitchen: Food, Ethnicity, and Diaspora can make you truly feel more interested to read.
