Editorial Review

Review

"Epic fantasies have a rather horrible tendency to blow the ending but **The Aspect-Emperor** gets the payoff it deserves, more *The Lord of the Rings* and *The Crippled God* rather than *Magician's End* or *The Born Queen*, and epic and impressive it is. You not so much read the finale as survive it, and in the nerve-shredded aftermath have to ask the question which will drive a lot of discussion in the months and years ahead: "Now what?" -*The Wertzone*

"As the culmination of the vast tapestry of storylines that form *The Second Apocalypse*, [*The Unholy Consult*] is a great and fitting finale that closes the show with a massive exclamation point!" -*Pat's Fantasy Hotlist*

"[An] explosive finale. . . R. Scott Bakker delivers the series' feverishly harrowing and long-awaited finish." - **TOR.com**

About the Author
