**Chatroom (NHB Modern Plays)** By Enda Walsh

A chilling, blackly comic tale of manipulation, cyberbullying and adolescent insecurity.

In a quiet corner of the internet, a group of bored, restless teenagers spends its time deconstructing children's literature and the messages in modern pop music. But when a new member joins to share his depression and thoughts of suicide, the conversation takes a darker turn.

A powerful depiction of modern-day isolation and the dangerous power of technology, *Chatroom* formed part of the National Theatre's 2005 Connections season, where it starred Matt Smith and Andrew Garfield.

'A vivid picture of teenage angst and insecurity' *Guardian*

'Powerful and disturbing' *The Stage*

'Keenly believeable... enthralling' *Financial Times*
