—**JON NAJARIAN**, cofounder, OptionMONSTER.com

"The *Commodity Trader's Almanac* is the one source for traders that can both suggest opportunities and also keep them out of trouble. Any seasoned market veteran knows that events tend to occur again and again, maybe not exactly as they did before but close enough so that knowing about them in advance provides an edge. This book is that edge."

—**MICHAEL KAHN**, CMT, columnist, Barron's Online, and editor, *Quick Takes Pro* newsletter

"I'm delighted that the publishers of the *Stock Trader's Almanac* have applied their winning formula to the *Commodity Trader's Almanac*. I have always maintained that commodities deserve more attention as a separate asset class, and they finally appear to be getting it. Given the tremendous interest in commodity markets in recent years, this book couldn't be more timely. I highly recommend it."
