## Dark Turns By Cate Holahan

Nia Washington is an incredible ballerina. She fought her way up from the streets and was nearing the pinnacle of her profession when an injury and a broken heart derailed her career. Taking a temporary job at an elite boarding school in Connecticut was supposed to give her time to nurse both body and soul. It was supposed to be a safe place to launch a triumphant comeback. It is anything but.

Shortly after she arrives at the beautiful lakeside campus, she discovers the body of a murdered student, and her life takes a truly dark turn. It's not long before she is drawn into a dangerous game of cat-and-mouse with a ruthless killer. And Nia isn't the only target. She must use all of her street smarts to protect her dancers, save a wrongfully accused student, and rescue the man she loves.

A stunning and suspenseful tale of passion and betrayal, Cate Holahan's *Dark Turns* will take readers deep into the mind of a murderer and the woman who must put an end to the killing.
