### Editorial Review

#### Amazon.com Review

Published to coincide with a five-part series on the Discovery Channel, this beautifully illustrated book offers a fine overview of ancient Egyptian history and of current and recent archaeological discoveries that have affected our view of the ancient past. The authors examine five principal issues, each of them touched with controversy: the origins of Egyptian civilization, the impetus to build the pyramids, the use of gold in Egyptian empire-building, the role of religion in everyday Egyptian life, and the nature of ritual mummification. In each of these areas the authors draw on the most current literature. Written for general readers, this makes a fine addition any Egyptology buff's library. --*Gregory McNamee*

### Users Review

#### From reader reviews:

##### **Harry Nelson:**

Information is provisions for folks to get better life, information these days can get by anyone with everywhere. The information can be a information or any news even a concern. What people must be consider whenever those information which is from the former life are difficult to be find than now could be taking seriously which one is suitable to believe or which one the resource are convinced. If you get the unstable resource then you understand it as your main information you will have huge disadvantage for you. All of those possibilities will not happen within you if you take Egypt Uncovered as your daily resource information.

##### **Candice Sharkey:**

Your reading sixth sense will not betray anyone, why because this Egypt Uncovered book written by well-known writer who really knows well how to make book which might be understand by anyone who read the book. Written with good manner for you, leaking every ideas and composing skill only for eliminate your personal hunger then you still doubt Egypt Uncovered as good book not only by the cover but also by content. This is one reserve that can break don't evaluate book by its handle, so do you still needing an additional sixth sense to pick this particular!? Oh come on your reading through sixth sense already said so why you have to listening to a different sixth sense.

##### **Jon Gonzalez:**

Beside this specific Egypt Uncovered in your phone, it could possibly give you a way to get nearer to the new knowledge or facts.
