### Full Strength (Point Shot) By V.L. Loey

Book three in the Point Shot trilogy

What a difference a year makes. Twelve months ago, Victor Kalinski was one of the best and most controversial ice hockey players in the pros. This year he's playing in the minors, has a paternity case pending, and has just been vindictively outed to the world by one of his own teammates.

But he seems to find life in the tiny town of Cayuga to his liking. A large part of that is Dan Arou, the Cougars' alternate captain and the man who now holds Victor's heart. Surely venomous, viper-tongued Victor hasn't been mellowed by love!

Well, perhaps a little. But that doesn't mean he doesn't intend to get sweet revenge on those who've hurt the man he loves and the friends he's somehow made along the way.

Reader Advisory: This story has graphic sexual language and scenes—no closed bedroom doors (or other rooms) here!

An adult gay romance from Ellora's Cave
