Goliath: Life and Loathing in Greater Israel By Max Blumenthal

In *Goliath*, *New York Times* bestselling author Max Blumenthal takes us on a journey through the badlands and high roads of Israel-Palestine, painting a startling portrait of Israeli society under the siege of increasingly authoritarian politics as the occupation of the Palestinians deepens.

Beginning with the national elections carried out during Israel's war on Gaza in 2008-09, which brought into power the country's most right-wing government to date, Blumenthal tells the story of Israel in the wake of the collapse of the Oslo peace process.

As Blumenthal reveals, Israel has become a country where right-wing leaders like Avigdor Lieberman and Bibi Netanyahu are sacrificing democracy on the altar of their power politics; where the loyal opposition largely and passively stands aside and watches the organized assault on civil liberties; where state-funded Orthodox rabbis publish books that provide instructions on how and when to kill Gentiles; where half of Jewish youth declare their refusal to sit in a classroom with an Arab; and where mob violence targets Palestinians and African asylum seekers scapegoated by leading government officials as "demographic threats."

Immersing himself like few other journalists inside the world of hardline political leaders and movements, Blumenthal interviews the demagogues and divas in their homes, in the Knesset, and in the watering holes where their young acolytes hang out, and speaks with those political leaders behind the organized assault on civil liberties. As his journey deepens, he painstakingly reports on the occupied Palestinians challenging schemes of demographic separation through unarmed protest. He talks at length to the leaders and youth of Palestinian society inside Israel now targeted by security service dragnets and legislation suppressing their speech, and provides in-depth reporting on the small band of Jewish Israeli dissidents who have shaken off a conformist mindset that permeates the media, schools, and the military.

Through his far-ranging travels, Blumenthal illuminates the present by uncovering the ghosts of the past—the histories of Palestinian neighborhoods and villages now gone and forgotten; how that history has set the stage for the current

crisis of Israeli society; and how the Holocaust has been turned into justification for occupation.

A brave and unflinching account of the real facts on the ground, *Goliath* is an unprecedented and compelling work of journalism.

Users Review

From reader reviews:

Earneстine Marcus:

Here thing why this Goliath: Life and Loathing in Greater Israel are different and dependable to be yours. First of all looking at a book is good however it depends in the content from it which is the content is as delightful as food or not. Goliath: Life and Loathing in Greater Israel giving you information deeper and in different ways, you can find any publication out there but there is no publication that similar with Goliath: Life and Loathing in Greater Israel. It gives you thrill studying journey, its open up your personal eyes about the thing in which happened in the world which is perhaps can be happened around you. It is easy to bring everywhere like in area, café, or even in your means home by train. Should you be having difficulties in bringing the paper book maybe the form of Goliath: Life and Loathing in Greater Israel in e-book can be your alternate.

Johnnie Nystrom:

Nowadays reading books are more than want or need but also be a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge your information inside the book this improve your knowledge and information. The details you get based on what kind of guide you read, if you want drive more knowledge just go with education and learning books but if you want really feel happy read one together with theme for entertaining like comic or novel. The actual Goliath: Life and Loathing in Greater Israel is kind of reserve which is giving the reader unforeseen experience.

Francine Nott:

Playing with family in the park, coming to see the coastal world or hanging out with friends is thing that usually you have done when you have spare time, subsequently why you don't try issue that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love Goliath: Life and Loathing in Greater Israel, you can enjoy both. It is fine combination right, you still wish to miss it? What kind of hang-out type is it?

Oh come on its mind hangout men. What? Still don't buy it, oh come on its known as reading friends.

Barbara Jackson:

That reserve can make you to feel relax. This kind of book Goliath: Life and Loathing in Greater Israel was colorful and of course has pictures on there. As we know that book Goliath: Life and Loathing in Greater Israel has many kinds or category. Start from kids until teens. For example Naruto or Investigator Conan you can read and think that you are the character on there. Therefore not at all of book tend to be make you bored, any it offers you feel happy, fun and relax. Try to choose the best book for yourself and try to like reading in which.
