Now Playing: Stoner & Spaz II By Ron Koertge

Quick repartee. Unsparring wit. Insight, poignancy, and spot-on characters. Welcome the much-awaited sequel to the acclaimed Stoner & Spaz.

Beautiful but troubled Colleen Minou is the only girl who ever looked at Ben Bancroft as more than a spaz— more than just that kid with cerebral palsy. Yet the more time Ben spends with her, the more glaring their differences appear. Is what Ben feels for Colleen actual affection, or more like gratitude? Then there's Amy (aka A.J.), who is everything Colleen isn't, and everything Ben's grandma wants for him: clean-cut and upper-class, academically driven, just as obsessed with filmmaking as Ben is. But what does A.J. see when she looks at Ben? CP? Or the person behind the twisted body? In Ron Koertge's sharp, darkly humorous follow-up to the award-winning Stoner & Spaz, Ben tries to come to terms with his confused feelings toward A.J. and his inimitable connection to Colleen, who is sometimes out of it, sometimes into him, and always exhilarating.

Editorial Review

Review

The repartee between Ben and Colleen -- funny, suggestive, and intense -- is spot-on, and readers will easily sympathize with both teens and their frustrating choices, while the adult characters and their problems are equally unique and well-developed. A rollercoaster of authentic emotions, Koertge's novel offers readers a fast, furious, and satisfyingly upbeat view of the world.

—Booklist (starred review)

Koertge writes crisp dialogue and ably captures both Ben's bewilderment as he moves from loser recluse to Mr. Popularity and his complex feelings toward A.J. and Colleen....Movie buffs will appreciate the references to films, a hallmark of Ben's first outing. Readers familiar with the first book will be glad to see Ben's return; newcomers will be glad they finally met him.

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just very little students that has reading's soul or real their pastime. They just do what the teacher want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that looking at is not important, boring as well as can't see colorful images on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Now Playing: Stoner & Spaz II can make you feel more interested to read.
