Simone Weil: An Anthology By Simone Weil

Philosopher, theologian, critic, sociologist, political activist -- Simone Weil was among the foremost thinkers of our time. Best known in this country for her theological writing, Weil wrote on a great variety of subjects ranging from classical philosophy and poetry, to modern labor, to the language of political discourse. The present anthology offers a generous collection of her work, including essays never before translated into English and many that have long been out of print. It amply confirms Elizabeth Hardwick's words that Simone Weil was "one of the most brilliant and original minds of twentieth-century France" and "a woman of transcendent intellectual gifts and the widest learning." A longtime Weil scholar, Sian Miles has selected essays representative of the wide sweep of Weil's work and provides a superb introduction that places Weil's work in context of her life and times.

Editorial Review

Language Notes

Text: English, French (translation)

From the Inside Flap

Philosopher, theologian, critic, sociologist, political activist-Simone Weil was among the foremost thinkers of our time. Best known in this country for her theological writing, Weil wrote on a great variety of subjects ranging from classical philosophy and poetry, to modern labor, to the power of words in political discourse. The present anthology offers a generous collection of her work, including essays never before translated into English, many of which have long been out of print. It amply confirms Elizabeth Hardwick's words that Simone Weil was "one of the most brilliant mind of twentieth-century France" and "a woman of transcendent intellectual gifts and the widest learning." A long-time Weil scholar, Sian Miles has selected essays representative of the wide sweep of Weil's work and provides a superb introduction that places Weil's work in context of her life and times.

Sian Miles has been a recognized expert on the life and work of Simone Weil for many years. She did postgraduate research on Simone Weil in Paris, where she was assisted by Ms. Weil's mother. Ms. Miles has also worked on numerous translations.

Users Review

From reader reviews:

Paul Henson:

Reading can called brain hangout, why? Because while you are reading a book specifically book entitled Simone Weil: An Anthology your thoughts will drift away trough every dimension, wandering in every single aspect that maybe unknown for but surely might be your mind friends. Imaging every word written in a guide then become one web form conclusion and explanation this maybe you never get ahead of. The Simone Weil: An Anthology giving you another experience more than blown away your head but also giving you useful facts for your better life on this era. So now let us explain to you the relaxing pattern the following is your body and mind will likely be pleased when you are finished examining it, like winning a casino game. Do you want to try this extraordinary investing spare time activity?

Lois Araiza:

This Simone Weil: An Anthology is great reserve for you because the content which can be full of information for you who always deal with world and get to make decision every minute. That book reveal it information accurately using great organize word or we can claim no rambling sentences inside it. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only provides straight forward sentences but hard core information with splendid delivering sentences. Having Simone Weil: An Anthology in your hand like having the world in your arm, facts in it is not ridiculous a single. We can say that no e-book that offer you world inside ten or fifteen moment right but this guide already do that. So , this is certainly good reading book. Hello Mr. and Mrs. busy do you still doubt that will?

Dennis Taylor:

Many people spending their moment by playing outside along with friends, fun activity with family or just watching TV the whole day. You can have new activity to shell out your whole day by reading a book. Ugh, ya think reading a book can really hard because you have to take the book everywhere? It okay you can have the e-book, bringing everywhere you want in your Smart phone. Like Simone Weil: An Anthology which is keeping the e-book version. So , why not try out this book? Let's notice.

Pam Boyd:

Reading a e-book make you to get more knowledge from this. You can take knowledge and information coming from a book. Book is composed or printed or illustrated from each source in which filled update of news. In this particular modern era like now, many ways to get information are available for a person. From media social similar to newspaper, magazines, science e-book, encyclopedia, reference book, story and comic. You can add your understanding by that book. Are you ready to spend your spare time to open your book? Or just trying to find the Simone Weil: An Anthology when you desired it?
